## EDUCATION

2018/01	<u>ATTI COLLEGE</u>
2019/09	<b>Systems and Web Development</b> I am proficient in web development and well-versed in the latest trends and technologies. With Systems and Web Development, I can bring your visions to life. <ul style="list-style-type: none"><li>• Experienced in HTML, CSS, JavaScript and various frameworks</li><li>• Can create responsive and visually appealing websites</li><li>• Familiar with web design principles and usability standards</li><li>• Constantly learning and updating skills to stay ahead in the dynamic web development field.</li></ul>
2024/08	<u>CODECADEMY</u>
2025/09	<b>Back-End Development</b> Codecademy's Back-End Development program taught me the essential skills for building robust and efficient backend systems. With a solid foundation in coding, I can confidently handle complex back-end tasks. My key learnings from this program include: <ul style="list-style-type: none"><li>• Mastering multiple programming languages, such as Python, Java, and SQL</li><li>• Understanding how to design and implement RESTful APIs</li><li>• Learning how to work with frameworks like Django and Flask</li><li>• Gaining</li></ul>
2024/08	<u>FREECODECAMP</u>
2024/11	<b>Front-End Development</b> I am currently enrolled in the FreeCodeCamp Front-End Development program, where I am acquiring essential skills in web development. Through this program, I aim to enhance my career growth and contribute to the tech industry. <ul style="list-style-type: none"><li>• Gain proficiency in HTML, CSS, and JavaScript.</li><li>• Develop advanced skills in Bootstrap and jQuery.</li><li>• Learn front-end frameworks such as React and Angular.</li><li>• Build a strong portfolio showcasing my projects and knowledge.</li></ul>
